

## ARE WE AWFUL?

Are we awful? Are we all?  
Taking time for pleasure  
Sit, enjoy the weather  
Are we awful?

Guilty as charged

Are we awful? Are we all?  
Letting show our anger  
Compassion for a stranger  
Are we awful?

Do you see the loss?  
Do you feel the cost?  
Or are you guilty as charged?

Overtaxing systems acclaims a mass appeal  
Judging by the way we never take the time to be real  
Exit non-ambition, compress the way we heal  
Increase our payments just to lose our thought of what we most conceal

Conceal

Are we awful? Are we all?  
Taking on a lover  
Caring for another  
Are we awful?

Do you see the loss?  
Do you feel the cost?  
Or are you guilty as charged?

Would you sit in silence, exchange your voice for thought?  
Or is that blasphemy within the walls of inner chaos?  
Would you search for balance or would that be a loss?  
Is every second wasted on a quest for power?

Don't you see the loss?  
Don't you feel the cost?  
Do you see the loss?  
Do you feel the cost?

Are we awful? Are we all?  
Taking time for pleasure...
