

CAMEO

Never could complain...you turn around again.
Try to mold me, so you scold me
Yeah, you told me i'm no more than a pain
i'm a pain...i'm a pain

Want to say the truth, that you ain't got no couth
Try to mold me, so you scold me
Yeah, you told me i'm no more than a goof
i'm a goof...i'm a geek

What's on the inside?
i don't know.

Could it be that you never really cared?
i don't know...
Could I win if i knew that you were scared?
i don't know...

What's on the inside?
i don't know.

Thought i had a friend
You turned around again
i still lost in the end
Never, never, never will we mend.

What's on the inside?
i don't know.
