

PROBLEM

Do you believe in magic treasures so sincere?
i could be everything beneath this ocean here
Now...now
Maybe if i had looked a little more like you
Then i could rape the very benefits that you do
Now...

i...think there's a problem...with you
You don't like the way i dress? You'd rather that i be a mess?
Well, i'd rather be the one to be shiny and new
So tell me...i'm not good enough for you
So tell me...i'm not good enough for you

Let's sit and have a cup of warm blueberry tea
Then you can tell me everything you hate about me.
Now...
So if i shave my head and look more like your boy
Then you'd respect my sex and treat me like you toy?
Now...

i...think there's a problem...with you
You told me i should shave my head. Well, i'd rather grow my hair instead.
Expose my sultry sex and be different that you
So tell me...i'm not good enough for you
Tell me...i'm not good enough for you
So tell me...i'm not good enough for you

We...find...you
Aggressive
Retentive
Oppressive
Well, are you?

i...think there's a problem...with you
You feel you gotta diss my friends, well they'll be there for me in the end.
And i'd rather spend my time growing old without you
So tell me...i'm not good enough for you
Tell me...i'm not good enough for you
Tell me...i'm not good enough for you
