

RELEASE ME

i'm the growing wonder
Like the sound of thunder
i am almost ready to forgive you

Nah...forget about it.

Did you bring me sorrow
To build my power for tomorrow
Am i like a muscle? Torn for strength?

i am doing all i can
i never promised you anything
i wish that i could wave my wand and say:
It's time to release me
Here...it's time...release me

i walked my steps to serenity
Now i know you're not the enemy
Maybe i could be your friend...

Nah...forget about it

i am doing all i can
i never promised you anything
i wish that i could wave my wand and say:
It's time to release me
Here...it's time...release me

Release me...release me...
Release me...release me...

Did you bring me sorrow
To build my power for tomorrow
Am i like a muscle? Torn for strength?

i am doing all i can
i never promised you anything
i wish that i could wave my wand and say:
It's time to release me
Here...it's time...release me
