

STEPHEN

i'm gonna floor ya
i'm gonna destroy ya
i'm gonna kick your lily white...

i did my job i did, that which concerned you
i showed you everything i could so i could help you
And then you told me that i was gonna kiss you?
Well, i don't have to kiss you

So, i'm not strong? i'm tough enough to push you
i ran on by until i couldn't get through
Now, what the fuck did you expect me to do?

i'm gonna floor ya
i'm gonna destroy ya
i'm gonna kick your lily white...

i saw those girls they beat you in the school yard
Oh you poor thing...isn't life a bit hard?
i guess another girl has caught you off guard
But they don't have to kiss you...
no.
They don't have to kiss you...
no.

i saw a girl in the paper, was it you?
Did you do the girl in the paper?
Was it you?
Well, what are you doing now?
i wanna know
Your name has changed, but everything's the same now
i won't cry

i'm gonna floor ya
i'm gonna destroy ya
i'm gonna kick your lily white ass...
